Product description:

We recommend this portable 3-point LED lighting kit to location photographers and videographers who seek for a compact yet powerful LED kit configuration, perfect to be used where the AC power source is limited or unavailable.

This is a basic lighting kit including 3 x LED Panel 1x1 Bi-Color and a transport bag for convenient handling and storing all the kit's components. Optional V-Lock batteries are available for the LED 1x1 panels to power the fixtures.

Additionally, three 2.80 m baby stands with transport bag can be added to the kit

configuration for proper mounting the LED panels on both studio and location setups.

BONUS! One [Focus - Exposure - White Balance Panel](#) will be included in this kit.
