Product description:

With a grip inspired by Crab claws this grid clamp can be used to hang lights or accessories on overhead grids, truss tubular pipes or car rigs.

The clamp can be securely gripped on tubular pipes with diameters between 10 mm up to 60 mm. The jaws are rubber padded for increased grip and surface protection.

The oversized "T" locking handle features dedicated roller bearings designed for anti-seize and maximum torque when tighten.

The 16 mm (5/8") spigot stud has 90 mm length with a 3/8" thread on the bottom.

The crab clamp is made of die-cast aluminum and has a rated payload of 50 kg.

Similar to Little Ben Clamp 425157, Baby Pipe Clamp.
