

Skirt set for Maxi LED 4

Reference: LLA-SKIRTMAXLED4

white diffusion skirt

black opaque skirt

- black, opaque skirt
- white, diffusion skirt
- white, diffusion bottom
- diameter:
- pop-up folding system

Product description:

Cylindrical skirt set for Maxi LED 4 light when used in hanged mode.

Twist pop-up design for easy unfolding and folding.

The black, opaque skirt with reflective interior helps direct the light downwards and cuts the sides spill.

The white skirt made diffuse the light and together with the white bottom cover smoothen the shadows.

Commonly used for top subject lighting on cyclorama / virtual walls or when the top, directional yet diffused light is required.
