

Flag 5 in 1 - 120 x 100 cm

Reference: MRX-FLAG120X100

- White: reflects light
- Silver: increases specular highlights
- Gold: warming effect
- Black: blocks light, acts like a black flag
- Translucent: diffuses light
- Collapsible aluminum frame
- Dimensions: 120 x 100 cm

Product description:

5-in-1 flag with lightweight aluminum frame and easy changeable layers using Velcro system.

The frame is made from lightweight aluminum tubes which can be quickly disassembled for easy transportation.

The flag's base is equipped with a 5/8" (16 mm) spigot which can be mounted directly on a stand or used with a grip head.

- White: reflects light for natural-looking results
- Silver: increases specular highlights adding more contrast to the image
- Gold: strong warming lighting effect
- Translucent: diffuses light
- Black: acts like a black flag to eliminate light spill (can also be used as a black background)
-

Includes a soft transport bag.
