

# Diffuser Dome CineFLEX "L"

Reference: LLA-DIFDOMEFLEXL

- Same effect as a lantern light / China ball
- Even light beam with soft shadows
- Collapsible design
- Size: 45 x 60 x 32 cm

## Product description:

The **Diffuser Dome for CineFLEX "L"** is an essential accessory that helps to reduce hard shadows and creates a wide beam of soft, diffused light around the subject.

When mounted on the CineFLEX LED mat, the diffuser dome spreads out an even density light field for superior lighting quality results. The effect is similar to a China ball or lantern light.]

Install the diffuser dome using the Velcro edge straps in front of the LED panel and get nice soft wrap around light.

Use this accessory for portraits and product photography to get flattering, soft light and eliminate the harsh, unwanted shadows.

Size: 45 x 60 x 32 cm
