- The light can be directed in desired position
- 5/8" mounting spigot receiver on the bottom

Product description:

Metallic yoke bar for mounting 4 TubeLEDs 360 on a stand and form a single lighting unit with a LED panel appearance.

Comes with mounting brackets on both ends provided with 4 1/4" screws to insert the TubeLED fixtures. Also, each LED light can be tilted up and down to direct the light in the desired position.

This yoke bar is very useful when there is a need for a wide source of light and 4 individual TubeLEDs can help

achieve that.

The yoke bar mounts on a baby stand using the 5/8" spigot receiver on the bottom.

- Dimensions: 72 x 43 x 6 cm
