

Baby Pipe Clamp with Spigot 16 mm Pin

Reference: GCX-K11095

- Fits on 10 to 55 mm diameters
- For hanging on pipes or truss systems
- Spigot 16 mm pin with safety hole
- Dedicated slot for secure wire
- Steel secure wire included
- Fully metal made
- Payload: 100 kg.

Product description:

Designed for most hanging applications of lighting equipment or accessories on truss systems or on any pipes having a diameter between 10 to 55 mm.

The collar on the top of the baby pin ensures safe pan adjustments of the installed lights when the tightening knob is loosen.

The over sized locking lever ensures a firm grip on the pipe.

To meet all safety requirements, the clamp's body has a dedicated slot for attaching the included secure steel wire.

The metal alloy and steel construction of the clamp allows it to support loads up to 100 kg.

- Baby pin length: 70 mm with spigot 16 mm and safety hole.
- Clamp weight: 850 g
- Secure wire length: 33 cm / Ø 3 mm

Product features:
