Product description:

Spring clamp with 30 cm length metal flexible rod for mounting small cameras and lighting fixtures (like CamLED lights) or accessories equipped with 1/4" thread.

The flexible rod has a 16 mm spigot with 1/4" top screw.

Rubber ends on the clamp's jaws for non-slip gripping and protection of the contact surface.

- Maximum recommended opening of the clamp is 5 cm.
- Full metal made.
- Weight: 380 g
