

# Scissor Ceiling Mount with 16 mm spigot

Reference: GCX-SCISSOR58P

- Drop ceiling mount
- Features 5/8" (16 mm) spigot
- Attaches small lights & accessories
- Mounted on suspended ceilings structure

## Product description:

Drop ceiling scissor mount designed to attach small lights and accessories that feature a 5/8" (16 mm) baby receiver.

The scissor mount clamps into the intersection of the metal bars that support drop ceiling panels in office buildings, schools or any other rooms with suspended ceilings.

The mount secures itself on the cross section of the ceiling's structure and features a 16 mm spigot to attach any small light or accessory, turning any room with suspended ceiling into a location studio.
