Reference: LLK-3XDAYLEDHB

- 3 x DayLED 1000 Bi-Color LED panel
- 3 x yoke bar with 5/8" receiver
- 3 x power adapter AC 100-240V / DC 15V
- 3 x acrylic filter set
- 1 x transport case

Product description:

This portable 3-point LED lighting kit is recommended for location photographers and videographers who seek for a compact yet powerful LED kit configuration, perfect to be used where the AC power source is limited or unavailable.

This is a basic lighting kit including 3 x DayLED 1000 Bi-Color LED panels and a transport bag for convenient handling and storing all the kit's components. With the optional V-Lock Li-Ion batteries, this kit includes everything needed to be mobile and fast for the setup.

Additionally, three 2.80 m baby stands with transport bag can be added to the kit

configuration for proper mounting the LED panels on both studio and location setups.

BONUS! One [Focus - Exposure - White Balance Panel](#) will be included in this kit.
